GP Universal Examination Table

Designed to comply with RACGP recommendations.

The SX Universal Examination Table is designed to help with patient examinations and treatments where cubicle space is an issue.

The low minimum height allows for easy patient access and comfort while the maximum height can quickly be set to suit the practitioners requirements and each end section can be raised to provide a backrest for left and right patient examinations and procedures.

Electric height	adjustment with footswitch	
X-Frame lift ac	ion minimises pinch & crush points	
Heavy duty inc	ependently lockable castors	
Durable powd	r coated rust resistant frame
