TREATMENT RANGE

Electric Postural Drainage Treatment Table

Ideal for physiotherapy, massage or manipulation techniques. This three-piece treatment table offers multiple positioning.

The manually adjustable head section with face hole can adjust from -90° to +45° with the leg section manually adjusting from flat to +70° while the electrically operated postural drainage function allows for a greater range of treatments to be performed.

FEATURES

- Electric height adjustment with footswitch
- X-frame lift action minimises pinch and crush points
- Heavy duty individually lockable castors
- Durable powder coated rust resistant frame
- High quality anti-microbial vinyl & CFC free foam
- Electric operated postural drainage
- Nose hole in headrest as standard
